

basement | studio

It's been a busy month here at Basement Studio. In the last few weeks, some fantastic ideas have been discussed, and building work on the new DJ lounge is coming along nicely. It is clear that there's going to be some exciting stuff happening in the future!

With everyone stepping up a gear in all aspects of Basement, we thought it would be a brilliant time to share with you, the community that makes all this possible, all our news and updates in this new newsletter!

For more information about Basement Studio, including bookings

and general enquiries, please call Brian on 07976 363 815.

audition evening

Basement Records hosts its first ever audition night on Tuesday 15th November.

Starting at 6pm, the night will be packed full of bands and artists performing to each other at the studio. With the chance of being amongst the first to sign to the new label, this is an opportunity not to be missed!

Basement Records aims to provide recording and promotion to local talent. The label has a unique desire to work with local venues in order to provide regular gigging opportunities for the bands that it takes on.

If you wish to find out more information about the label, please contact Luca on 07584 040 712.

basement choir looking for talented singers

The choir runs from 7-8:30pm on Thursdays, singing new and old music from bands such as Foo Fighters and Muse.

With a great set list already under their belt, the choir is now looking to get out there and do some performing!

There's going to be loads more news from the choir in the future, but in the meantime if this sounds like your thing, please contact Hannah on 07794 415 247

basement hire

The Studio's hire dept. is going from strength to strength at the moment! This month, we've provided lighting & sound equipment for an array of events across Dorset, including amongst others, *Teenage Dirtbag* hit-makers Wheatus' gig at Mr Kyps on 10th October. *(Pic)*

With an ever-expanding inventory of equipment and experienced technicians on hand, Basement Hire offers competitive pricing for sound and lighting hire across Dorset.

For more information, please contact James on 07958 371 137.
